

Judge Victoria KOLAKOWSKI

For Superior Court Judge

A Superior Court Judge for All of Us

For more than 20 years, I've worked as a judge and attorney, protecting the rights of our diverse community. I have the experience, passion for justice, and open, respectful, and deliberative demeanor to serve as a Superior Court Judge for all of us.

Environmental Protection

As an administrative law judge, I've presided over cases where California's strong environmental laws have been reinforced and renewable energy has been increased.

Consumer Rights

As a senior government lawyer, I fought before federal courts to recover money for consumers that had been lost during the California Energy Crisis, and negotiated settlements worth billions of dollars for consumers.

Diversity

Only 29% of the judges currently serving on the Alameda County Superior Court are women, and it is time for another experienced woman to be added to the Court.

Community Service

I've served on numerous government agency and community organization boards, including the Oakland Budget Advisory Committee, Berkeley Public Works Commission, California Council of Churches, and National Association of Women Judges Committee on Administrative Judiciary.
